EQUINE ACTIVITY AGREEMENT AND RELEASE

In consideration of Crystal Farms, owned and operated by Patricia Carlton, permitting me to engage as an active participant in equine related activities, and understanding, acknowledging and agreeing that engaging in equine related activities could be hazardous and may result in injury.

I agree to assume all risks of injury arising out of participating in equine related activities, either off or upon the premises of Crystal Farms.

I release and agree not to sue Crystal Farms, its agents, employees, servants or anyone connected with its association, from any and all liability for any claim for injury, damages, costs or causes of action which I have or may have in the future as a result of injuries or damages sustained by me or incurred by me while participating in such equine activity, either off or upon the premises of Crystal Farms.

I agree not to invite or permit any other person(s) to enter the premises or engage in any equine activity as my guest. Any such participation shall be deemed a trespasser, not invitee, unless such person(s) execute(s) an "Equine Activity Agreement and Release" with Crystal Farms.

I further agree to indemnify Crystal Farms, its agents, employees, servant or anyone connected with its association, for any costs, expenses, damages or legal fees which may be incurred as a result of any breach or violation of this "Agreement and Release" if such breach results in injury or death to any person(s) engaging in such equine activity, which regard to whether such injury or death is alleged to have resulted from any alleged acts of negligence of Crystal Farms, its employees, agents, servants or anyone connected with its association.

WARNING

Under the Michigan Equine Activity Liability Act, an equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of the equine activity (PA351 of 1994)

I have read and understand the above terms of this Agreement and Release, I agree to such terms.
